To use the Japan Rail Pass passengers must enter Japan with a temporary sightseeing visitor visa - single entry of 15 or 90 days duration. Passport holders from 67 countries will automatically receive this visa on arrival into Japan if entering for 90 days or less of non-paid activity. Other nationalities must apply for the temporary visitor visa before they arrive in Japan. Japan Rail (JR) will not authorize the Japan Rail Pass unless the passenger is able to provide the correct documentation at the point of activation in Japan.
